SECOND HAND BOOKS

Due to the ongoing health concerns surrounding COVID-19, **Lilydale Books will not be conducting the Second Hand Book Service during the 2020/2021** booklisting period. At the time of printing, it is not feasible for us to conduct a service that encourages a high volume of customers in our storefront.

The health and wellbeing of customers, team members, their families and the broader community in which we operate is the utmost priority for Lilydale Books. This decision was not made lightly. We anticipate the service will resume in the future.

If you have a second hand consignment from 2019/2020, it will be extended for an additional year. For more information please refer to our website: www.lilydalebooks.com.au/Second-Hand-Books
