Dear Parent/Guardian,

**Re: Year 10 Parent Payments 2022**

Upper Yarra Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Upper Yarra Secondary College's voluntary financial contributions for 2022.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all of your support, this has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to offer a wider range of subjects and special curriculum experiences; enhanced digital learning opportunities; the upgrade of our arts centre; upgrade of grounds; additional resources in Library; lunchtime games and activities for students and as a school, our priority is to afford all our students' great opportunities.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

*Scott Tully*
