- Providing assistance in the work of any school or kindergarten.
- Attending meetings in relation to government schools convened by any organisation which receives government financial support.

Implementation

Upper Yarra Secondary College is committed to implementing and following practices which protect the safety and wellbeing of children, our staff and volunteers. Upper Yarra Secondary College also recognises the valuable contribution that volunteers provide to our school community and the work that we do.

The procedures set out below are designed to ensure that Upper Yarra Secondary College's volunteers are suitable to work with children and are well-placed to make a positive contribution to our school community.

Becoming a volunteer

Members of our school community who would like to volunteer are encouraged to contact the College on 59671 877 to discuss these opportunities.

COVID-19 vaccination information

Under the directions issued by the Victorian Chief Health Officer, volunteers attending school to work are required to be vaccinated or provide evidence that they are medically exempted. Upper Yarra Secondary College is required to collect, record, and hold vaccination information from relevant visitors and volunteers to ensure they meet these requirements.

For further information on this process, refer to our College's *COVID-19 Mandatory Vaccination – Information Collection and Storage Procedures*.

For Department of Education and Teaching's policy on COVID-19 mandatory vaccinations for visitors, including advice on the type of information that schools are required to collect, record and hold, refer to:

Suitability checks, Working with Children Clearances

Working with students

Upper Yarra Secondary College values the many volunteers that assist with sports events/camps/excursions/school concerts/other events and programs. To ensure that we are meeting our legal obligations under the *Worker Screening Act* and the *Child Safe Standards*, Upper Yarra Secondary College is required to undertake suitability checks which in most cases will involve asking for evidence of a **Working With Children (WWC) Clearance** and may also involve undertaking reference, proof of identity and work history involving children checks.

Where prospective volunteers are required under the law and this policy to have a WWC Clearance, the principal has the discretion to accept evidence of a WWC check application to commence volunteer work, provided the volunteer provides the school with evidence of the application outcome (clearance or exclusion) as soon as practicable after the applicant receives it.

Considering our legal obligations, and our commitment to ensuring that Upper Yarra Secondary College is a child safe environment, we require volunteers to obtain a WWC Clearance and produce their valid card to the Business Manager for verification in the following circumstances:

- **Volunteers who are not parent/family members** of any student at the school if they are engaged in child-related work regardless of whether they are being supervised.
- **Parent/family volunteers** who are assisting with any classroom or school activities involving direct contact with children in circumstances where the volunteer's child is not participating, or does not ordinarily participate in, the activity.
- **Parent/family volunteers** who assist with excursions (including swimming), camps and similar events, regardless of whether their own child is participating or not.
- Parent/family volunteers who regularly assist in school activities, regardless of whether their own child is participating or not.
- **Parent/Community/School Council members** sitting on School Council with student School Council members, regardless of whether their own child is a student member or not.

In addition, depending on the nature of the volunteer work, the College may ask the volunteer to provide other suitability checks at its discretion (for example, references, work history involving children and/or qualifications). Proof of identity may also be required in some circumstances.

Non-child-related work

On some occasions, parents and other members of the school community may volunteer to do work that is not child-related. For example, volunteering on the weekend for gardening, maintenance, working bees, school council, participating in sub-committees of school council, fete coordination, other fundraising groups

during which children will not be, or would not reasonably be expected to be, present.

- Volunteers for this type of work are not required to have WWC Clearances or other suitability checks as they are not engaged in child-related work and children are not generally present during these activities. However, Upper Yarra Secondary College reserves the right to undertake suitability checks, including requiring proof of identity and WWC Clearance, at its discretion if considered necessary for any activities or circumstances.
- School council members and volunteers on any sub-committee of School Council will be asked to provide evidence of a valid WWC Clearance. Whilst we acknowledge that these volunteers will not be engaging in child-related work as part of their role, even when there is a student sitting on the School Council, we believe that it is important that our volunteers who are involved in making important decisions about the College which will have an impact on students do have a valid WWC Clearance.

Management and supervision

Volunteer workers will be expected to comply with any reasonable direction of the principal (or their nominee). This will include the requirement to follow College policies, including, but not limited to UYSC's *Child Safety Policy*, *Child Safety Code of Conduct* and our *Statement of Values and School Philosophy*.

Volunteer workers will be expected to act consistently with Department of Education and Training policies, to the extent that they apply to volunteer workers, including the Department's policies relating to *Equal Opportunity* and *Anti-Discrimination*, *Sexual Harassment* and *Workplace Bullying*.

The principal has the discretion to decide about the ongoing suitability of a volunteer worker and may determine at any time whether a person is suitable to volunteer at Upper Yarra Secondary College.

Upper Yarra Secondary College will provide any appropriate induction and/or training for all volunteer workers. The principal (or their nominee) will determine what induction and/or training is necessary depending on what type of work the volunteer will be engaged in and will ensure a record is kept of the induction undertaken.

All volunteers will be provided induction in relation to Upper Yarra Secondary College's child safety practices, including reporting obligations and procedures. Our school has a *Child Safety Responding and Reporting Obligations Policy and Procedures* which all staff and volunteers should be aware of.

The principal (or their nominee) will determine what supervision, if any, of volunteers is required for the type of work being performed.

Compensation

Personal injury

Volunteer workers are covered by the Department of Education and Training's Workers' Compensation Policy if they suffer personal injury while engaging in school work.

Property damage

If a volunteer worker suffers damage to their property while carrying out school work, the Minister (or delegate) may authorise such compensation as they consider reasonable in the circumstances. Claims of this nature should be directed to the principal who will direct them to the Department's Legal Division.

Public liability insurance

The Department of Education and Training's public liability insurance policy applies when a volunteer worker engaged in school work is legally liable for:

- a claim for bodily injury to a third party.
- damage to or the destruction of a third party's property.

Communication

This policy will be communicated to our school community in the following ways:

- Available publicly on the College website.
- Included in UYSC staff induction processes.
- Hard copy available from the College administration upon request.
