CHILD SAFE CODE OF CONDUCT

Rationale

Upper Yarra Secondary College's Child Safety Code of Conduct sets out the expected behaviour of adults with children and young people in our school. It provides a high-level statement of professional boundaries, ethical behaviour, and acceptable and unacceptable relationships.

All Upper Yarra Secondary College staff, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).

When individuals are clear about behavioural expectations, they are much more likely to act appropriately with each other and with children. When everyone is educated about the Code of Conduct and the reasons it is so important to uphold, the School environment becomes much more transparent, and people are accountable for their behaviour. *Above all, a Child Safety Code of Conduct helps to protect children from harm.*

Our Child Safe Code of Conduct

Upper Yarra Secondary College is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe and supportive environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Child Safety Code of Conduct outlines appropriate standards of behaviour for all adults towards students.

The Code serves to protect students, reduce any opportunities for abuse or harm to occur, and promote child safety in the School environment.

It provides guidance on how to best support students and how to avoid or better manage difficult situations.

Where a staff member breaches the Code, Upper Yarra Secondary College may take disciplinary action, including in the case of serious breaches, cessation of duty.

It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

Implementation

The Principal and school leaders of Upper Yarra Secondary College will support the implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide an inclusive, safe and orderly school and other learning environments. The Principal and school leaders will also provide information and support to enable the Code of Conduct to operate effectively.

All staff, contractors, volunteers and any other member of the school community involved in child-related work are required to comply with the Code of Conduct by observing expectations for appropriate behaviour below. The Code of Conduct applies in all school situations, including school camps and in the use of digital technology and social media.

The Code is made available to all staff, volunteers, families and students.

Upper Yarra Secondary College has the following expectations of behaviours and boundaries for all adults interacting with students within our School community. This includes all teaching staff, non-teaching staff, School Council members, volunteers (direct and indirect), third party contractors, external education providers and parents/guardians.

Breaches to the Child Safety Code of Conduct

All Upper Yarra Secondary College staff, volunteers, contractors and any other member of the school community involved in child-connected work who breach this Child Safety Code of Conduct may be subject to disciplinary procedures in accordance with their employment agreement or relevant industrial instrument, professional code or terms of engagement.

In instances where a reportable allegation has been made, the matter will be managed in accordance with the Department of Education and Training, Reportable Conduct Scheme Policy and may be subject to referral to Victoria Police.

All breaches and suspected breaches of the Upper Yarra Secondary College Child Safety Code of Conduct must be reported to the Principal and/or Assistant Principal as soon as possible.

If the breach or suspected breach relates to the Principal, contact the Assistant Principal or Leader of the Wellbeing team.

Report any concerns

Third party contractors, external education providers, indirect contact volunteers, students, parents or other community members who have concerns that a child may be subject to abuse are asked to contact one of the School's Child Protection Officers.

Communications will be treated confidentially on a 'need to know basis' and all Personal Information will be dealt with in accordance with the School's Privacy Policy.
