October 2025

Dear Parents/Guardians,

On behalf of the Upper Yarra Secondary College School Council a sincere welcome to new students and their families and all our returning families for 2026. This letter and the enclosed attachments, provide you with essential information regarding the *Parent Payments* for Upper Yarra Secondary College. We ask that you read all this information carefully and contact us if you have any queries.

Whilst the Government provides funding for the provision of a basic curriculum, the College relies on parents' contributions for materials to fund the many essential extras required to provide the best possible education for our students. It is our priority, as a school to afford all our students' great opportunities, therefore it is essential, parents pay all charges applicable to their child's selected program.

While every effort is made to keep these Parent Payments as low as possible, the school needs your assistance to continue to ensure we can offer and further improve the educational opportunities at Upper Yarra Secondary College.

Further information regarding The Department of Education's Parent Payment Policy can be found on our school website.

Should you have any concerns regarding payment, please do not hesitate to contact the Finance Department at the College.

Regards,

Scott Tully
Principal
